

The University Anthem

Lead City University

The cradle of great leaders

Where hopes and dreams are given life

And drive for great attainment

With motivation and inspiration

We're dedicated, educated

Extending peace and joy

From different cultures, beautiful picture

Lead City University

We are the leaders

The light of our great nation

Diversified yet one great vision

With knowledge for self-reliance

And wisdom to serve our fatherland

We're dedicated, educated

Extending peace and love

Our voices together, beautiful harmony
