COURSE INTRODUCTION

Music is an integral part of every human culture. It is observed as a crucial landmark synthesizing other events and giving form to the totality of performance. It is an essential part of human life circle which cannot be separated from human existence.

COURSE DESCRIPTION

It is a total practical course which requires every student to participate in a workshop situation which involves a musical performance. The participation will include the following: Folk music, Afro-pop and Juju/Fuji music. Students will also participate in a major general performance involving other levels towards the latter part of the semester, being a work learnt and packaged from the held classes/rehearsals.

COURSE OBJECTIVES

Having successfully completed the module, students will be able to demonstrate knowledge and understanding of:

- The practicalities of a performance career
- Different genres of performance experience

Attendance Policy:

As participation is a critical component of daily evaluation, regular attendance is compulsory being a pivotal factor in determining a student's overall evaluation.

TEACHING PLAN:
