

### **LCU Lecturer Bags USAID Support Grant**

Dr. Folahanmi Tomiwa Akinsola, a lecturer in the department of Public Health, Faculty of Basic and Applied Sciences has been awarded a research grant from African Research Network for Neglected Tropical Diseases with support from USAID.

The Research titled "Contextualized Strategies to optimise the coverage of School-based mass administration for soil transmitted Helminths and Schistosomiasis Control programs in Nigeria" is aimed at investigating barriers and facilitators to optimal uptake of mass drug administration and develop contextualized strategies and implementation plans to increase coverage of equitable delivery of integrated School-based mass drug administration programme in Nigeria.

### **Parents, Students and Staff: Beware of Scammers**

Just last week, information reaching us has revealed that someone who claimed to be Dr. Patrick has been sending messages and making calls to some parents, informing them to attend an online meeting by using a particular code.

The University management uses this opportunity to distant itself from this unscrupulous character together with his activities. Kindly note that he is a SCAMMER and the information being circulated is NOT from the University.

Please if you see any of these numbers – **07048703646** or **09136981069**, kindly **IGNORE** or **BLOCK** such numbers immediately to avoid falling victim of his fraudulent activities.
